### **"KPMA"**

#### **WARNING NOTICE**

The KPMA Golf Cart Rules have specific procedures to become a golf cart vendor. That procedure must be strictly adhered to by anyone wanting to offer, include or rent a golf cart during the course of a unit rental.

Owners that include their Golf Cart as part of their unit rental will be in violation of the required vendor approval and will be subject to the immediate revocation of their Golf Cart Decal for the remainder of the calendar year. Golf Carts without a decal are subject to removal from Kingston Plantation.

A golf cart is considered a "rental" if the rental of a unit includes the use of a golf cart.

**I have read the above and understand the potential consequences of including the use of my Golf Cart with the rental of my unit.**
